See § 1325(a)(5). After confirmation of the plan, the Trustee will pay to the holder of each allowed secured claim the monthly payment in column (f) based upon the amount of the claim in column (d) with interest at the rate stated in column (e). Upon confirmation of the plan, the interest rate shown below or as modified will be binding unless a timely written objection to confirmation is filed and sustained by the Court. (B). Claims Secured by Real Property Which Debtor Intends to Retain. Debtor will make all post-petition mortgage payments directly to each mortgage creditor as those payments ordinarily come due. These regular monthly mortgage payments, which may be adjusted up or down as provided for under the loan documents, are due beginning the first due date after the case is filed and continuing each month thereafter, unless this Plan provides otherwise. Trustee may pay each allowed arrearage claim at the monthly rate indicated below until paid in full. Trustee will pay interest on the mortgage arrearage if the creditor requests interest, unless an objection to the claim is filed and an order is entered disallowing the requested interest.

Any claim filed by a secured lien holder whose collateral is surrendered will be treated as unsecured. Any involuntary repossession/foreclosure prior to confirmation of this Plan must be obtained by a filed motion and Court order, unless the automatic stay no longer applies under § 362(c). Upon Plan confirmation, the automatic stay will be deemed lifted for the collateral identified below for surrender and the creditor need not file a Motion to Lift the Stay in order to repossess, foreclose upon or sell the collateral. Nothing herein is intended to lift any applicable co-Debtor stay, or to abrogate Debtor's state law contract rights.

- 7. **Unsecured Claims**. Debtor estimates that the total of general unsecured debt not separately classified in Plan paragraph 10 is \$5,800.00 . After all other classes have been paid, Trustee will pay to the creditors with allowed general unsecured claims a pro rata share of \$0.00 or 100 %, whichever is greater. Trustee is authorized to increase this dollar amount or percentage, if necessary, in order to comply with the applicable commitment period stated in paragraph 2 of this Plan.
- 8. Executory Contracts and Unexpired Leases. The following executory contracts and unexpired leases are assumed, and payments due after the filing of the case will be paid directly by Debtor, not through Trustee, as set forth below in column (c).

Debtor proposes to cure any default by paying the arrearage on the assumed leases or contracts in the amounts projected in column (d) at the same time that payments are made to secured creditors. All other executory contracts and unexpired leases of personal property are rejected upon conclusion of the confirmation hearing.

10. Other Provisions:

- (B). Other direct payments to creditors.

Student Loans will be paid directly when deferment ends.

- (C). Other allowed secured claims: A proof of claim which is filed and allowed as a secured claim, but is not treated specifically under the plan, shall be funded with <u>3</u>% interest as funds become available after satisfaction of the allowed secured claims which have been treated by the plan and prior to payment of allowed non-administrative priority claims (except domestic support obligation claims as set forth in paragraph 5(A), above) and general unsecured claims. Notwithstanding the foregoing, the Debtor or any other party in interest may object to the allowance of the claim.
- (D). Claims subject to lien avoidance pursuant to 11 U.S.C. §522(f): The allowed secured claim of each creditor listed below shall not be funded until all allowed, secured claims which are being treated by the plan are satisfied. If an order is entered avoiding the creditor's lien, that creditor's claim shall be treated as a general, unsecured claim to the extent it is not otherwise secured by property of the estate and treated by the plan. To the extent that the creditor's lien is not avoided and is not otherwise treated by the plan, the secured claim shall be funded as set forth in the above paragraph. This paragraph shall apply to the following creditors:

 Portfolio Recovery

(E). Other Provisions:

- (E) Any creditor which is to be paid directly under this plan is authorized and encouraged to send monthly billing statements to the debtor(s) at the mailing address on record with the Bankruptcy Court in this case.
- (F) Unless the Court orders otherwise, a "Notice of Post-Petition Mortgage Fees, Expenses, and Charges" filed pursuant to Rule 3002.1(c) F. R. Bankr. P., or a statement which is filed pursuant to 3002.1(g) F.R. Bankr. P. and sets out unpaid amounts, shall not be funded through the office of the Chapter 13 Trustee.
- (G) Debtor and Debtor's attorney have further agreed that Debtor's attorney may be paid for "non-base services" as they are performed on an as-needed basis, These "non-base" services, and the agreed fee for each, are identified in paragraph 7 of the Rule 2016(b) disclosure statement in the case. Upon completion of a "non-base" service, Debtor's attorney may file an application with the Court, serving all parties-in-interest with notice of the application and providing an opportunity to be heard on the matter. Unless the Court orders otherwise, the approved fee shall be added to the balance of the unpaid base fee in this case and paid in accordance with paragraph 4(B), above. If the base fee has been paid in full, then the fee shall be paid up to \$50.00 per month, and the distributions to creditors shall be reduced, pro rata, by the amount until the additional fee is paid in full.
- (H) Unless the Court orders otherwise, a proof of claim that is filed pursuant to 11 U.S.C. 1305(a)(1) shall be funded by the Trustee pro rata within the classification under which it is allowed or as otherwise provided in a modified plan. This provision does not prohibit the Trustee or a creditor from objecting to the payment of said claim if the payment negatively impacts other creditors.
